

**WORKING EQUITATION
SCHOOLING SHOW**

Saturday July 25, 2020

AOPF STABLES

3637 Black Rock Road, Upperco, MD

WE United “L” judge Kimberly da Silva will officiate a Working Equitation Schooling Show with classes offered from Children’s thru Novice B

This show will also be a Partner Show for Confederation for Working Equitation Group Member Northern Virginia Working Equitation (NOVAWE). Scores earned by NOVAWE members will count toward year end awards.

Training Wheels Schooling Rounds will be offered before each class at \$25

In addition to judged rounds we will offer “Training Wheels” schooling rides in Dressage and Ease of Handling before the Children’s, Intro and Novice A classes begins. Kimberly will coach riders thru the course giving advice on what a judge will be looking for in competition.

“Schooling” on the Ease of Handling course is not allowed under the rules of Working Equitation but we are making this exception in a nod to COVID-19 taking away nearly all Clinic and lesson opportunities this Spring and Summer. Riders will be allowed to opt for only a Training Wheels ride or may still ride in the judged show rounds after schooling.

SCHOOLING SHOW - \$50 Children’s or Intro, \$65 Novice A or B

Children’s and Intro Classes are Dressage and Ease of Handling Only.

Novice A and B include Dressage, Ease of Handling and a Speed Test.
